

Kamini Spitaki (ref. 298)

€ 500,000.00 :: 3 bedrooms

Wow! This is a house that really has it all - traditional features, beautifully renovated, three bedrooms, lots of space outside and NO steps!!

Situated in Kamini, just a couple of minutes' walk from the sea with no steps.

The house is on two floors, with a large open plan sitting room / kitchen and bedroom on the top floor, and another two bedrooms on the lower level.

There is a bathroom on each level, and a good sized terrace at the front of the house giving access to the garden, that has been paved with stone.

The house has been renovated to a very high standard by the current owners, and is in excellent condition.

The aesthetic is simple, minimal and elegant, and it works really well, complementing the original features of this house, but with a contemporary twist.

Not to be missed!
