

House by the Wells (ref. 307)

€ 230,000.00 :: 2 bedrooms

A traditional Hydriot house in Kala Pigadia, just a few metres from the wells that are a well known landmark, and one of the few sources of water on Hydra.

The house is set on a large plot (approx. 600m²) that backs onto the mountain, and is in need of renovation.

The ground floor consists of one room, and the first floor is partially demolished, with the roof and back wall missing.

The kitchen is off to one side and there is a bathroom outside the house, as well as an apothiki (store room).

In front of the house is a veranda that looks out over the wells.

The house occupies 80m², and will make a very attractive holiday home, and there is the potential to make a really attractive garden, with so much space available.
